BEAUNE TEURONS 1ER CRU

DOMAINE
CHANSON

DETAILS OF PRODUCTION

In the heart of the Premier Cru vineyards of Domaine Chanson is a plot which covers 4 hectares, in the center of the Beaune territory. It's soils are a mix of limestone and clay and it grows premium Pinot Noir grapes. After a cold winter and a mild spring, the weather conditions in summer were ideal with cold nights and warm days and enabled a perfect maturation of the grapes. The harvest started early September under a bright sunshine. The red wines develop beautiful aromas of ripe red and black berries with a fleshy texture. Vinification : whole bunch fermentation for approximately two weeks, the wines are then aged in our XVth century cellar for a period between 14 and 18 months. Moderate use of new oak.
