# CHABLIS GRAND CRU LES CLOS

DOMAINE  
**CHANSON**

## DETAILS OF PRODUCTION

“Les Clos” is one of the most famous Grands Crus of Chablis. The area of production covers 24.75 ha. The vines selected by Chanson are ideally located right in the heart of the plot with Limestone soils. The upper part of the plot brings the minerality and the lower part with alluvion deposits gives the rich character of this wine.

After a very cold winter and a demanding spring in 2013, the hot summer was regularly interrupted by rainy intervals which early september gave way to a bright and warm weather, that speeded up the maturation of the grapes. Harvest began in the last days of September under a bright sunshine. Careful vinifications and aging in oak (demi-muids) have helped to tame the outstanding acidity of this Chardonnay.

## TASTING NOTES

Pale gold colour. Subtle floral fragrances mixed with notes of citrus on a well-shaped minerality. Hints of vanilla. Excellent volume and power. Precise but with a lot of energy. Fine minerality on the solidly long finish that displays a hint of bitter lemon.

## HOW TO SERVE

Foie gras, shellfish, fish, white meat as well as some goat cheeses.

*“Lifted aromas of white truffle and tobacco. Elegant palate with a long, mineral finish. 95 Points.”*
