## NUITS-SAINT-GEORGES

DOMAINE  
**CHANSON**

### DETAILS OF PRODUCTION

The area of production is located in the commune of Nuits Saint Georges, in the heart of the Côte de Nuits. The grapes are sourced from selected plots of vineyards (clay and limestone) South of the village, at the border of the “Premier Cru” area. After a cool and rainy winter and a frost episode in April, the warm and dry weather in spring was perfect for the flowering. In July and August the weather was more demanding but it became fine again early September with a true Indian summer which enabled a perfect maturation for the grapes. The harvest took place mid September under a bright sunshine. The red wines give off beautiful aromas of ripe red berries with a sappy texture. Aging in oak casks during 16 months.

### TASTING NOTES

Bright ruby colour. Intense aromas of black berries (black current) mixed with spices Liquorice. Subtle note of vanilla. Dense and voluminous. Elegant and delicate texture. Concentrated. Elegant tannins. Very pure fruit. Well-integrated oak note. Generous aftertaste.

### HOW TO SERVE
