SAINT-VÉРАН

DOMAINE
CHANSON

DETAILS OF PRODUCTION

The Saint Véran vineyards are located in the very South of the Maconnais area on the communes of Saint Vérand, Chânes, Chasselas, Leynes, Prissé and Davayé and have clay and limestone soils. After a cool winter and a frost episode in April, the weather at the end of spring was warmer but rainy which engendered a late flowering and Millerandage (small size berries) . The summer was warm and dry. The harvest took place mid september under a bright sunshine. The white wines of the Mâconnais are precise and well-balanced with a well-shaped minerality. Partial aging in oak casks (demi-muids) during 9 months.

TASTING NOTES

Pale gold colour. Floral fragrances mixed with very fresh aromas of citrus fruit underlined by a well-shaped minerality. Well-structured, taut and precise. Well integrated minerality Very pure fruit. Refreshing aftertaste.

HOW TO SERVE

Charcuteries, sea-food, fish, snails as well as some goat cheeses.
