BEAUJOLAIS-VILLAGES

DOMAINE
CHANSON

DETAILS OF PRODUCTION

The area of Beaujolais-Villages production covers 39 villages in the Northern part of the Beaujolais region. Among all those villages are the famous 10 “Crus” of the Beaujolais : Moulin à Vent, Chiroubles, Régnié, Chenas, Saint Amour, Fleurie, Morgon, Brouilly, Côte de Brouilly et Julienas. After a cool and rainy winter and a frost episode in April, the warm and dry weather in spring was perfect for the flowering. In July and August the weather was more demanding but it became fine again early September with a true indian summer which enabled a perfect maturation for the grapes. The harvest took place mid september under a bright sunshine. The red wines give off beautiful aromas of ripe red berries with a sappy texture.

TASTING NOTES

Bright ruby colour with purple nuances. Intense aromas of fresh red berries (red-currant) mixed with spices. Supple and generous. Refreshing fruit combination in the aftertaste mixed with a hint of liquorice.
