LES PALOMETTES, VINSORBES

Jean-Luc Colombo
VINS COLOMBO

DETAILS OF PRODUCTION

The cuvée 'Les Palomettes' comes from the Drôme, one of the coolest terroirs in the Southern Rhône, thanks to clay-limestone terraces at altitude. This Côtes du Rhône is made from 60% Grenache and 40% Syrah, bringing more Northern than Southern tones to seek maximum freshness. Vinification occurs in temperature controlled stainless steel vats with a long maceration. The wine is then aged for 9 months in 1 to 5 year old oak barrels.

TASTING NOTES

Dark violet color with a perfumed nose with aromas of black fruits and spices. The palate is very well balanced wine with refined tannins. Aromas of gooseberry and black currant mixed with soft spices.

HOW TO SERVE

Goes very well with braised meats, small cooked vegetables or chicken with herbs de Provence. Delicious now, or wait 3-4 years. Serve at 16°C.
