LES PINS COUCHÉS ROSÉ

Jean-Luc Colombo
VINS COLOMBO

DETAILS OF PRODUCTION

Les Pins Couchés, the Sleeping Pines, is a quintessential Rosé from the Mediterranean that captures the gourmet freshness of Provence. A wonderful blend of Syrah, Cinsault and Mourvèdre make this the perfect any occasion rose. The vines are planted on light, stony limestone soil near the city of Salon de Provence where the Mediterranean climate and vegetation (thyme, lavender, oak and pine trees) meet with the maritime influence of the sea. Traditional vinification (direct pressurage is followed by fermentation at a low temperature. Les Pins Couchés is then bottled quickly to preserve the freshness and fruit.

TASTING NOTES

Beautiful soft pink, crystal clear. Fresh nose that develops hints of peaches, roses and soft pepper. Round yet crisp, a beautiful complexity with notes of red fruit, raspberries, and fennel.

HOW TO SERVE

A perfect match with the cuisine of Marseille: fried rainbow wrasse, sardines with spinach, sea urchin, Pistou vegetable soup, or just “on the rocks” at the water’s edge. The perfect rosé for the pleasures of the summer: relaxation and idleness. To be savoured in its youth. Serve chilled to 12°C
