DETAILS OF PRODUCTION

In the south of the Côte de Beaune, the terroirs of Puligny Montrachet produce some of the greatest white Burgundies, including the famous Grand Cru Montrachet. The grapes vinified by Chanson are sourced from excellent plots of vineyards on mid-slope with a composition of clay and limestone.

After a cool and rainy winter and a frost episode in April, the warm and dry weather in spring was perfect for the flowering. In July and August the weather was more demanding but it became fine again early September with a true indian summer which enabled a perfect maturation for the grapes. The harvest took place mid september under a bright sunshine. The white wines develop very pure zesty aromas mixed with floral fragrances. Aging in oak casks during 14 months.
