PERNAND-VERGELESSES 1ER CRU LES CARADEUX

DOMAINE
CHANSON

DETAILS OF PRODUCTION

This vineyard of 1.90 hectare is ideally located on mid-slope close to the hill of Corton-Charlemagne. It has the same soil structure (Marly limestone with silt of clay) and height as its famous neighbour. The only difference is the East exposure of the “Caradeux” which makes of this plot an exceptional “terroir” providing unique mineral characteristics.

After a cold winter and a mild spring, the weather conditions in summer (with important differences of temperature between day and night from August onwards) were ideal and enabled a perfect maturation of the grapes. The harvest took place mid September under a bright sunshine. The white wines develop aromas of exotic fruit mixed with floral fragrances. Aging in oak casks during 11 months.

TASTING NOTES

Pale colour. Mineral with very subdued aromas in its youth. Taut and precise with salty notes. Sappy wine true to its terroir.

HOW TO SERVE

To be enjoyed with seafood, fish and mild cheeses.

“91/100. A focused, lemon-tinged white, whose linear profile and lively acidity corral the citrus, stone and spice notes on the lingering finish. Comes together nicely with air, so decant now or cellar for a year. Best from 2018 through 2024.”
