### DETAILS OF PRODUCTION

Whilst over delivering on quality, the KC range produces light, fresh and easy-drinking wines. Grapes are sourced from vineyards in Elgin and Stellenbosch and are complimented with excess Constantia fruit. The grapes are carefully hand selected and harvested from our chosen vineyards. These are then brought in and pressed as gently as possible to maintain the fruit and freshness in the wine. After fermentation the wine is aged either in French oak barrels or Stainless steel tanks for up to 14 months before blending and bottling.

### TASTING NOTES

Deep ruby red in appearance, aromas of smokey mulberries and plums with a subtle oak spice. The palate is full bodied with an elegant balance of fruit flavours and present tannins. The wine concludes with fresh lingering finish..

### HOW TO SERVE

Serve with Loin of Springbok infused with juniper berries and cloves, roasted and served with polenta, forest mushrooms and quince jelly/paste.
