AWATERE VALLEY GRÜNER VELTLINER

The
CROSSINGS

DETAILS OF PRODUCTION

Sourced from the Willow Flat vineyard, from low cropping vines, the fruit is handpicked, destemmed and pressed, and left to settle on its lees to produce a creamy texture on the palate. 4 different fermentation vessels are used to vinify individual batches in 225L old French barriques, 1000L new French oval, stainless steel tank and a concrete egg. Lees are stirred on a regular basis and then the wine is blended.

TASTING NOTES

This Gruner Veltliner displays a distinctive style, notes of peach, honey and spice.

HOW TO SERVE

Pairs well with spicy dishes along with rich foods and vegetables such as artichoke and asparagus.
